

Career Fairs Survey

The background is a solid teal color. It features several decorative elements: a large, semi-transparent pie chart in the upper right quadrant; several smaller, semi-transparent pie charts scattered around it; and a bar chart in the bottom right corner with five vertical bars of varying heights.

Questions

- How many UCR Career Fairs have you attended?
- How did you hear about the career fair?
- What was the most challenging aspect of attending a career fair?
- What has prevented you, or what has prevented your peers, from attending career fairs?
- Have you ever registered to participate in a fair, but did not attend?
- What was your main reason for not attending?
- What encouraged you or what would encourage you the most to attend the career fair?
- On a scale of 1-5, how effective do you think career fairs are in securing a job/internship?
- What support can the Career Center provide to increase the likelihood of you participating in a career fair?
- What events or programs can the Career Center provide to increase your level of preparedness for a career fair?

Question 6: How many UCR Career Fairs
have you attended?

How many UCR Career Fairs have you attended?

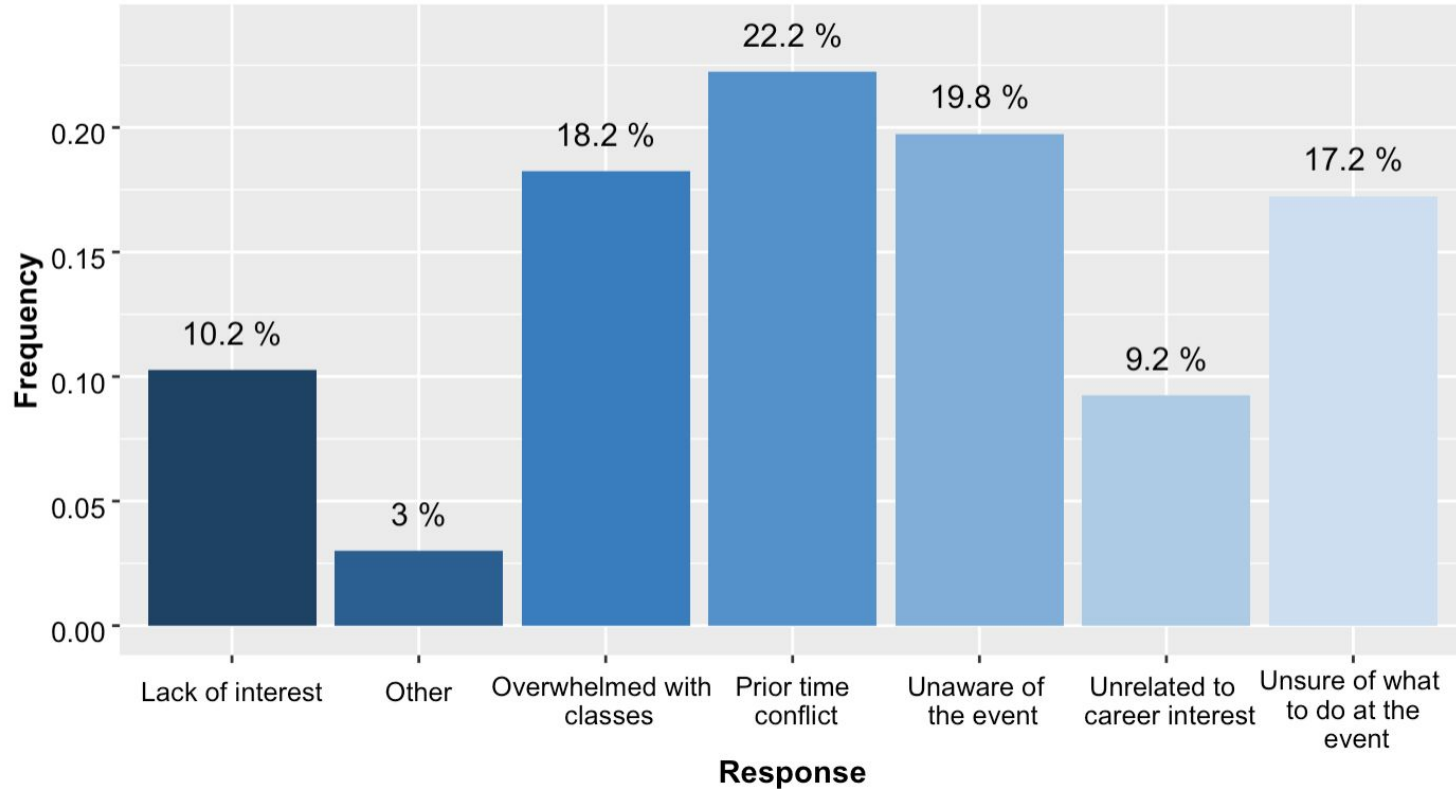

Question 6: How many UCR Career Fairs have you attended?

- 63.4% of responding UCR students have never attended a career fair
- We are 95% confident that the percentage of all UCR students who have never attended a career fair is >57.3%

Question 9: What has prevented you, or what has prevented your peers, from attending career fairs?

What has prevented you, or what has prevented your peers, from attending career fairs?

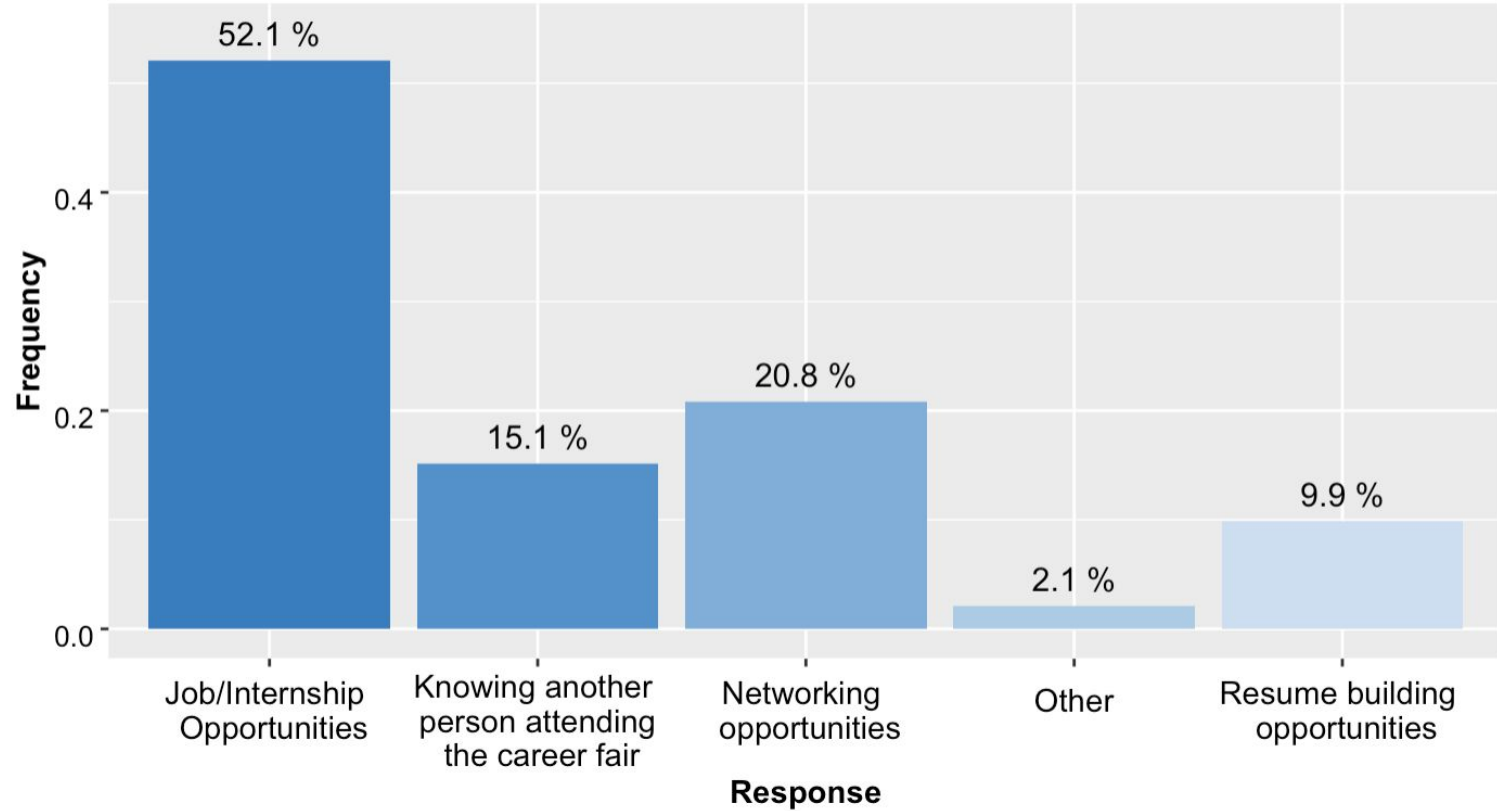

Question 9: What has prevented you, or what has prevented your peers, from attending career fairs?

- The results obtained are very statistically significant ($p=0.00000000000000000309$ for Chi-Square GOF)
- We can expect the views of the entire UCR student population to share a similar distribution

Question 10: What encouraged you or what would encourage you the most to attend the career fair?

What encouraged you or what would encourage you the most to attend the career fair?

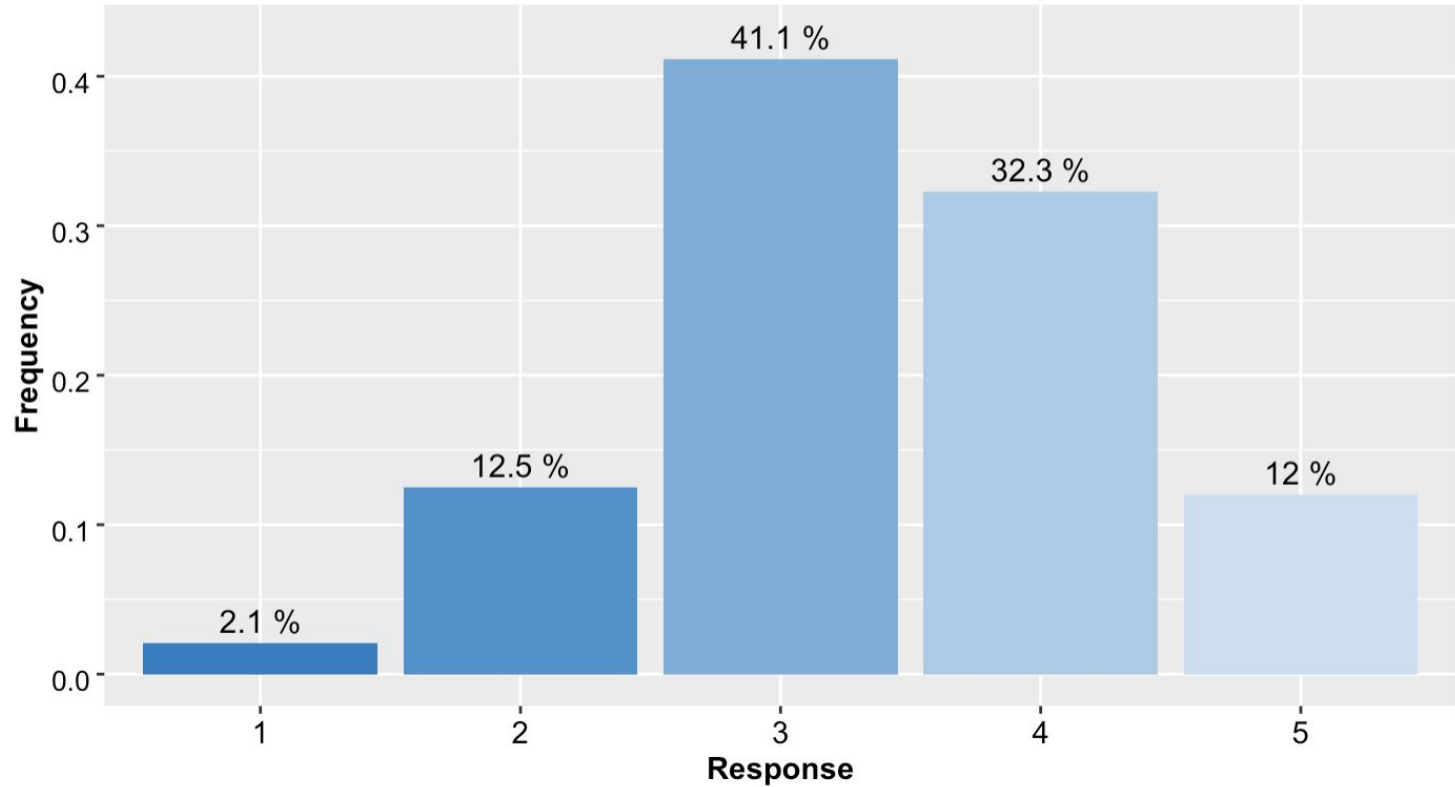

Question 10: What encouraged you or what would encourage you the most to attend the career fair?

- The results obtained are very statistically significant ($p=0.00000000000000000022$ with Chi-Square GOF)
- We can expect the views of the entire UCR student population to share a similar distribution

Question 11: On a scale of 1-5, how effective do you think career fairs are in securing a job/internship? (1 being very ineffective and 5 being very effective)

On a scale of 1-5, how effective do you think career fairs are in securing a job/internship?
