## Quality of Student Parking Survey

Total Responses: 1128

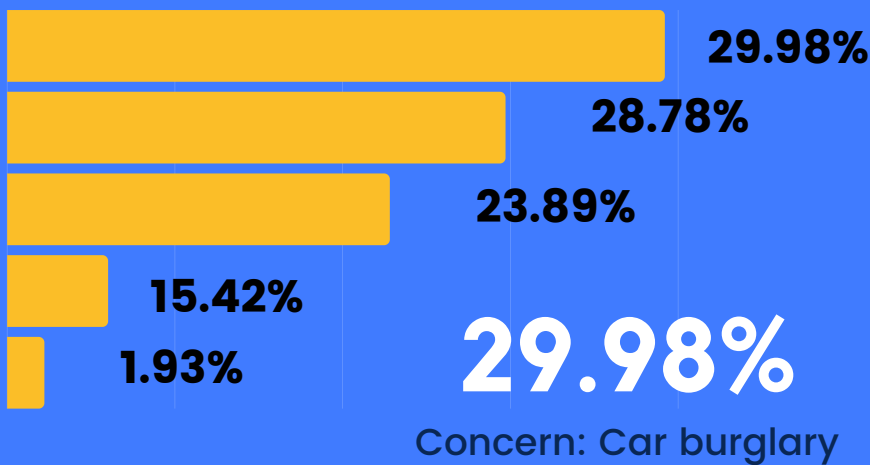

**35.27%**

of students choose not to park on campus due to high parking prices.

**17.04%**

of students choose not to park on campus due to fear of personal and vehicular safety

### Do you have any safety concerns if and when parking on campus?

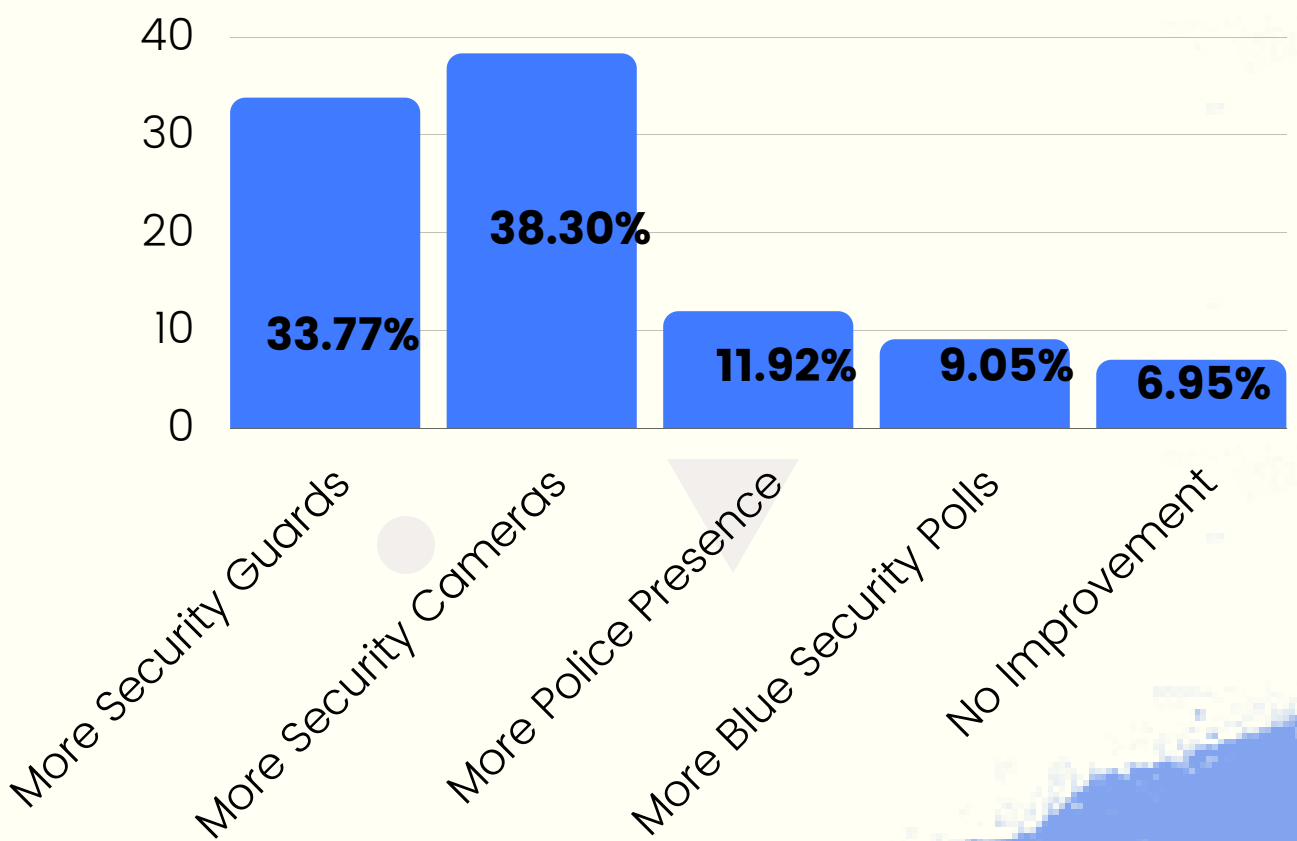

**28.78%**  
Concern: Personal Safety

**23.89%**  
Concern: Vandalism

**15.42%**  
Concern: Car Accidents

### What do you believe is the most effective solution to increase safety in UCR parking lots?

## Did you know?

58.47% of students have, or know someone who has, felt unsafe walking to and from UCR parking lots.

On a scale of 1-5...

**Rank how accessible UCR disabled parking is:**

On average, students ranked disabled parking accessibility at a 3.

1 = Not accessible

5 = Highly Accessible

How can UCR make improvements to parking?

"More garages. Reduce the price."

"Offer weekly/bi-weekly passes."

"Why do I pay almost 450 a year to park...where my stuff gets stolen?"

"Please get security cameras...these incidents aren't going to stop because they are not getting caught."

"Get UCPD to actually investigate crime reports."
