Total Responses: 1128
Did you know?
58.47% of students have, or know someone who has, felt unsafe walking to and from UCR parking lots.

On a scale of 1-5...
Rank how accessible UCR disabled parking is:

On average, students ranked disabled parking accessibility at a 3.

How can UCR make improvements to parking?

"More garages. Reduce the price."

"Why do I pay almost 450 a year to park...where my stuff gets stolen?"

"Offer weekly/bi-weekly passes."

"Please get security cameras...these incidents aren't going to stop because they are not getting caught."

"Get UCPD to actually investigate crime reports."

1 = Not accessible
5 = Highly Accessible
